# Programmes & Objectives ...

## Red-Light & Quasi Red-Light Area Programmes:

**Goal:** Preventing **FORCED** dependence on the Red-Light-Area economy by making these areas child-safe.

### **Objectives:**

- Ensuring school enrolment and retention to prevent dropping out from the formal education system.
- Implementing a “Protection through Participation” strategy through:
  - ✓ Sharing information about their rights
  - ✓ Skills building towards successful identification, prevention, and redressal of situations of rights violations
  - ✓ Leadership Development Training to create Community-Based Resource Teams of young adults to act as 24x7 watchdogs against any kind of child-abusive behaviour.
  - ✓ Engagement with community adults to form collectives as community safety nets against child-abusive practices.

## ... Programmes & Objectives

### Rural Programmes: Padded with Love and Football Girls

**Goal:** Enabling girls and young women to work towards a gender-just society.

#### **Objectives:**

- Padded with Love:
  - ✓ Menstrual hygiene promotion among rural girls and women living in resource-poor settings through making sanitary napkins available to them at subsidised rates.
  - ✓ Income generation for rural women living in resource-poor settings through door-to-door sale of these sanitary napkins.
  - ✓ Establishing environment-friendly disposal mechanism for used sanitary napkins.
- Football Girls:
  - ✓ Enabling girls and young women (13-25) from marginalised rural communities to nurture their dream of playing football.
  - ✓ Use football as a means to preventing underage marriage of rural girls.

Lakar Math QRLA  
Ward 84, KMC

Tollygunge QRLA  
Ward 89, KMC

**Two new interventions started in  
Sonagachhi Red-Light area  
&  
Tollygunge Quasi-Red-Light area**

## Explanation:

**Red-Light area (RLA) – Where women in the sex trade live with their children, and entertain customers also.**

**Quasi-Red-Light area (QRLA) – Where women in the sex trade live with their families, but entertain customers elsewhere – mostly in rented rooms in RLAs.**

# Red-Light and Quasi-Red-Light Area Programmes Strategy

## DIKSHA's CBRTs

*We empower the youth to evolve as Community-Based Resource Teams (CBRTs). They act as 24x7 watchdogs and crisis interveners to prevent attempted cases of child abuse. They are also enabled to take the steps necessary for legal redress through prosecution.*

### Our Three-Pronged Strategy

# ... Red-Light and Quasi-Red-Light Area Programmes

- Numbers of Lives impacted: 647
  - ✓ Children (2+ to 18 years): 448 (all fields combined)
  - ✓ Women: 199 (all fields taken together)
- Major support provided – Children (3-18 years):
  - ✓ Drop-in-Centres (DiCs) operate in every area at hours specified by participants and community adults as safe spaces for the children when their mothers are busy
  - ✓ Nutritional support provided everyday to every child attending the DiC in their field area
  - ✓ Special leadership training to identified Youth Leaders: 42 Youth Leaders, all areas taken together
    - 6 of them receive monthly stipend support to continue higher studies (beyond class VIII)
  - ✓ Two-day Residential Workshop on Gender Justice with 22 Youth Leaders from our Kalighat and Munshiganj fields.

# ... Red-Light and Quasi-Red-Light Area Programmes

- Engagement with Women:
  - ✓ Regular meetings to offer wellbeing support, and take their feedback on what needs to improve in our interventions
  - ✓ Dry ration distributed to 83 women (covering about 415 heads calculated @ 5/members per household) in Munshiganj during the month of Ramadan (March 2023).
  - ✓ In our Kalighat field, Birati Samuho, a Queer Feminist Theatre Group, performed the play “Atho Hirimba Katha” – a take-off on the *Mahabharata* character of Hirimba to showcase gender and caste-based discrimination, and transcending that. The audience, mostly members of DIKSHA’s Rakhi Team (the preferred name of Kalighat Women’s group members) loved the play – as shared during interactions after the show.
  - ✓ Occupational Skills Training on making bags from recycled fabric and junk jewellery making to 33 women from Lakar Math and Munshiganj fields.

## ... Red-Light and Quasi-Red-Light Area Programmes: Rakhi: DIKSHA's Special Unique Strategy

- All the children attached with DIKSHA celebrate the Rakhi festival in a unique way.
- Conceived in 2002 by the first generation of DIKSHA's Youth Leaders from Kalighat, Rakhi is DIKSHA's special outreach programme – connecting with everyone in the spirit of friendship.
- Children make the *rakhis* themselves, and go out to tie them on everyone's wrist – from community adults to passers-by, from police officers to roadside vendors ...
- We have evidence of how relational dynamics change imperceptibly in the process!

**Note: Traditionally, Rakhi is a Hindu festival where sisters tie special bands called *rakhis* on their brothers' wrists, requesting protection. DIKSHA's Youth Brigade has redefined it in an entirely secular manner.**

# Rakhi 2023: Glimpses

## ... Red-Light and Quasi-Red-Light Area Programmes: DIKSHA's Birthday and Children's Birthdays

- DIKSHA's deep engagement with our RLA and QRLA communities reflects in bold relief on DIKSHA's Birthday – August 12.
- Our young participants decorate the Drop-in-Centres, their own “Safe Space”, themselves; plan a programme on their own; and *everyone* gathers in their Sunday best for the cake-cutting.
- In the early years of DIKSHA, we learnt that some girls feel left out as their families celebrate their brothers' birthdays, but not theirs. Some others had moaned that their birthdays are ever celebrated. So, DIKSHA celebrates children's birthdays collectively every month – all the children having birthdays in a month jointly cut a cake, and they love it.

# DIKSHA's Birthday & Children's Birthdays 2023: Glimpses

## **... Red-Light and Quasi-Red-Light Area Programmes: Special Initiatives for Children**

- The New Year 2024 was ushered in jointly by children through cake cutting in all the 5 DiCs.
- One Iftaar party each for children during the month of Ramadan at the Munshiganj and Tollygunge DiCs.
- A Clown Show was organised in April 2023 for children in collaboration with the performance group Clowns Without Borders at our Kalighat and Munshiganj fields.
- Premananda Hospital Leprosy Mission members visited all the DIKSHA DiCs in August 2023, distributing biscuit packets to children.
- Film shows were organised for children at all the DiCs on different months during the year, in collaboration with Ayash: An Effort, under their Bioscoper Baranda initiative. The first show was in August.

## **... Red-Light and Quasi-Red-Light Area Programmes: Special Initiatives for Children**

- Children at all the DiCs showed their love and respect for DIKSHA Team members associated with the respective fields through celebrating Teachers' Day on September 5, 2023 at all the DiCs.
- Fatima Educare Centre organised a Painting Competition and a Dance Competition for the children attached with DIKSHA, covering all five DiCs.
- Two children from our Munshiganj DiC and one child from the Kalighat DiC got prizes in the painting competition.
- Three children from our Munshiganj DiC and two children from our Kalighat DiC got prizes in the dance competition.
- Dhakuria Shitala Kalibari distributed 150 school bags, each bag containing copies, and ballpoint pens, for DIKSHA children at all the four DiCs except Munshiganj.
- Ten children from our Sonagachhi field performed a dance and a play at the West Bengal Commission for the Protection of Child Rights pavilion during Kolkata International Book Fair 2024.

## ... Red-Light and Quasi-Red-Light Area Programmes: Observing International Women's Day

- For the first time in DIKSHA's journey, we celebrated International Women's Day on March 8, 2024, through a programme at Rotary Sadan, Kolkata.
- Children from all the DiCs participated.
- A book containing first-person narratives of 17 women in the sex trade from two of our work fields, published during the Kolkata International Book Fair, 2024, was relaunched once more during the programme.
- A special attraction was the play "Bhasaili re", presented by Birati Samuho, a queer feminist theatre group. The play captures issues of women's marginalisation through a performance rich in songs and dances using the character Behula from the iconic Bengali mythology *Manasa Mangal Kavya*.
- Saptami, a veteran DIKSHA Work Team member, with DIKSHA since she was 10 years old , was felicitated during the programme.

# International Women's Day: Camera Eye

# A Feather in DIKSHA's Cap

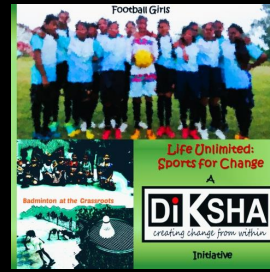

Tumpa Adhikari, a DIKSHA member since she was 12 years old, and a member of the DIKSHA Work Team from 2006 to 2020 has always been a shining star. She had won a Commutiny Fellowship as a DIKSHA member, and moved on when she landed a Kutchina Kritika Fellowship through that. But her connection with DIKSHA remains intact. On March 8, 2024, SVP India, one of DIKSHA's donors, felicitated Tumpa for her achievements.

# DIKSHA's Other Initiatives

**Total lives impacted: 430**

- Football Girls, a DIKSHA initiative within our “Life Unlimited: Sports for Change” programme:
  - ✓ 15 girls and young women in their teens and 20s supported with basic nutritional materials and football kits.
  - ✓ They are from Kamarpara village, Ilaambazar block, Birbhum district, West Bengal – a district with 49.9% underage marriage rate for girls, and 25% teenage pregnancy rate (as per NFHS-5).
  - ✓ 11 married women, daughters-in-law of Kamarpara, were inspired to play a match with the regular team during Bengal’s iconic festival, Durga puja – marking a sharp deviation from the dominant social narrative of gender-based discrimination and exclusion.
- Kaam-Kaaj: Income generation for women in resource-poor settings, both rural and urban, and POSH Training to job-ready youth (18+) from resource-poor settings in collaboration with LP4Y, a French nonprofit – 179 lives impacted.
- Padded with Love: Menstrual hygiene promotion cum income generation for women in resource-poor settings - 225 women in Birbhum district, West Bengal, benefitted.
